**Dear Barbara,**

**I want to thank you and the members of the Kernersville Rotary Club for the warm reception I received last Wednesday. I really enjoyed getting to know your leadership team and to learn about the many activities and projects you have planned for the 2006-2007 Rotary year. Thank you for being so well organized for the leadership meeting.**

**It's great to see that you've already inducted several new members since July 1<sup>st</sup>. I like your Open House concept for recruiting new members and hope that your Membership chair will be able to attend one of our membership seminars coming up (September 14<sup>th</sup> in Clemmons or September 27<sup>th</sup> in Asheboro). Both sessions will start at 3:00 pm and end at 5:30 pm.**

**You are fortunate to have a group of talented and experienced Rotarians to support your goals for the year. Kernersville Rotary is a wonderful club with great projects like the pancake fundraiser, the scholarships at Forsyth Tech, the 5K race, and the international support of the girls school in Pakistan. I hope to share your success with a community based Rotaract club with other clubs. Please contact Robert Nunnaley (#910-947-2224) (email: [rdnjr@lycos.com](mailto:rdnjr@lycos.com)) with the Carthage club if you are interested in the Rotarunners program with middle school.**

**As I mentioned in the meeting, you're off to a great start and I'm confident you will have a wonderful year. Please know that Chuck and I are here to support you in making this the best year ever for the Kernersville Rotary club.**

**Together, we will *Lead the Way*,**
