Re: 10th Annual Rotary District 7690 Day
Wake Forest vs. Clemson Football Game
October 7th, 2006 – 3:30 PM (*tentative kick-off*)
Winston-Salem, NC

Enclosed is information regarding our District 7690 Football Social on October 7, 2006 between Wake Forest and Clemson. Last year's meeting proved to be another exciting ACC showdown as the Demon Deacons defeated the Tigers 31 to 27 with a touchdown in the last seconds of the game. The Deacons are the best they have been in years, bringing in a solid team for the 2006 season and the Tigers are coming into the season as a Top 15 team. This showdown will be a huge game for both teams. The stage is set for a great game so pack up all your Rotary friends and family and head to Groves Stadium for a fun day of fellowship and action packed football!

We will start with a tailgate at 1:30 PM (tentative on game time) with barbecue, chicken, and all the trimmings!

Every season up to 750 Rotarians enjoy the largest District 7690 social of the year...so don't miss out this season! Please promote this event at your club meetings and encourage everyone to BRING THEIR FAMILY MEMBERS! Clubs who appoint a person to lead the promotion and organization of this event have proven to be the most successful in the events outcome. If you have any questions, please contact Mike Odom with Wake Forest at (336) 758-5009.

We thank you for your promotion and hope you will be able to make this exciting event.

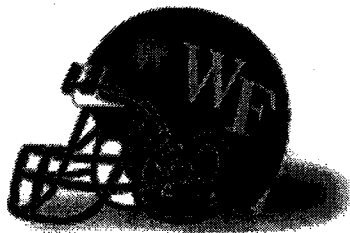

Sincerely,

Mike Odom
