PRESIDENT'S COLUMN

August is Membership month in Rotary. It is our time to focus on membership of our club and how to bring new members into Rotary. Without our members we cannot do our projects in the community and around the world. Without new members, our club cannot grow and continue to give back to Kernersville. It should be the focus of every member to be a strong member of the Rotary club, to look for ways to contribute to the club and find new members who share the vision of Rotary to make our club stronger each and every day.

On August 22 Darrell Walker and Jack Kerr will present an Open House for potential new members. If you have anybody that you think would make a good Rotarian please give their name and contact information to Darrell or Jack and encourage them to attend our Open House so that we can continue to grow our membership and be a strong Rotary club for the Kernersville community and the world.

Yours in Rotary,

Brian
