PRESIDENT's COLUMN

As 2008 comes to a close, I want to thank all of you for your hard work and dedication in getting our Rotary year off to such a great start.

We are well on our way to again achieving our Gold Club status and possibly even becoming a "Triple Crown Club". Although these achievements are something that we will be very proud of, most importantly, we must consider the many good things that are derived from these achievements ...Contributions to The Rotary Foundation, local scholarships, partner school programs and our contributions within our community. You have much to be proud of.

We must all remember how blessed we are and look for any additional ways that we can help the less fortunate in our community; especially during this season of the year.

I hope that you and your families enjoy the holiday season and that you get a chance to relax, rejuvenate and get ready for another incredible year. Please know that I am grateful for your friendship and the opportunity to serve as your club president, this year.....

Merry Christmas!!

Mike
