PRESIDENT's COLUMN

Happy New Year! As we ring in 2010, we find ourselves at the midpoint of the Rotary year. It is hard for me to believe that it has six months since our current leadership team took the reins and accepted the challenge of leading our club for the 2009-2010 Rotary Year. As I've told you often, it is a privilege to lead this club, and I want to take a moment to thank each of you for your support during the first half of the Rotary year.

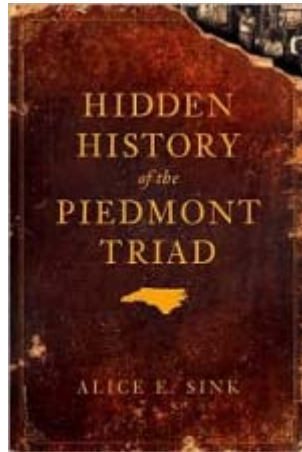

We've had a number of successes so far this year, and we should certainly be proud of those. However, just as in sports, the key is that we must finish strong in the second half! We have a number of very important projects, fundraisers and other events scheduled for the second half of the Rotary year.

2009 was a great year for our club. If our club brings the same dedication, enthusiasm and willingness to serve into 2010, it too will be a banner year.

Jason Grubbs

“Hidden History of the Piedmont Triad”
