## PRESIDENT'S COLUMN

### Looking Back!

Here we are...we made it!  
Another successful Rotary  
Year is coming to an end. As  
you know, I began this year as  
President of your club with a  
vision for the year. That vision  
including leaving our club,  
Kernersville, and the world,  
better than we found it.

By all accounts we  
accomplished all of this and  
much more. From our gift of a  
new downtown Farmers  
Market, to a record-setting  
Pancake Supper fundraiser, to  
our generous and  
heartwarming support of the  
Triad Flight of Honor Project -  
this has been a year to  
remember. To quote from  
Ronald Reagan's farewell  
address: "My friends: We did  
it. We weren't just marking  
time. We made a difference.  
We made the city stronger; we  
made the city freer; and we left  
her in good hands. All in all,  
not bad -- not bad at all."

This is just the first of several  
opportunities I want to take  
over the next few weeks to say  
"Thank You" to each and every  
one of you who has made this  
year so special. It has truly  
been an honor to lead such a  
fine organization for the past  
year. Thank you for your  
support, and for a job well  
done!
