Notes:

1. Makeup activity must occur within two (2) weeks immediately preceding or following the missed Rotary meeting.
2. To receive makeup credit, please report your makeup to the Sergeants-at-Arms;
3. Committee chairs are also encouraged to provide the Sergeants-at-Arms with a list of attendees at a club function to make sure all available credits are recorded.
4. Note that we will allow one (1) makeup credit per month for Cash Elementary Study Buddies. Credit was previously limited to one (1) credit per quarter. One (1) makeup credit per month will also be available for anyone signing up to be a mentor at Kernersville Middle School.
5. The Board of Directors reaffirmed the Club's position to allow only one (1) online makeup credit per quarter. Since the online makeup does not further fellowship opportunities with other Rotarians or provide a direct benefit to the community, it was felt that this should be used only as a last resort when no other makeup opportunities were available. We will continue to honor one (1) online makeup per quarter.
